

Hospitals & Institutions Basics

NAWS

Winter EDM, 2014

Porto, Portugal

What is Hospitals & Institutions?

- Carrying the message of recovery to those who cannot attend meetings in the community
- PR connection - building and maintaining relationships with facilities
- H&I and PI cooperation
- Working with PI/PR committees when presenting information about NA to those outside the fellowship.

Hospitals & Institutions Basics

Hospitals & Institutions Functions

- H&I Committee meetings, literature
- H&I Service
 - panel meetings, maintaining relationships with facilities
- H&I and the group
 - address H&I where no ASC exists

Hospitals & Institutions Basics

Large-Group Discussion

Hospitals & Institutions Basics

Planning for H&I Services

- What format to choose?
- Who is best suited to carry the message in an H&I meeting?
